"Checking accounts are too complicated.

Besides, I don't feel easy in a bank."

A lot of people think checking accounts are more trouble than they're worth. Which is a shame. Because the truth is just about anybody can handle money better with the help of a Fidelity checking account. It's easy to open, easy to use, and it makes keeping track of your money as simple as 1,2,3.

With checks you know where your money is going. You waste less. And you save more. Best of all, it doesn't have to cost you a cent. So stop in and ask about a checking account of your own. You'll feel welcome and you'll get straight answers to your questions. One more thing. At Fidelity, we're an easy going group. Very informal. So come as you are.

Score For SOAR

Saturday, April 29th was National SOAR Day across the country. The letter SOAR stand for Save Our American Resources. In Appomattox these letters also stand for Scouts of Appomattox React. On Saturday, the Scouts in Appomattox reacted by staging a march through town to publicize the day and to make the citizens of our community more aware of the need to keep our streets and highways free of trash and litter.

Following the march, the Scouts assembled at the Triangle Plaza where several projects were completed:

Browning Troops 308 and 833 handed out 1,000 automobile litter bags to the shopping center patrons. The litter bags were furnished by the U. S. Forestry Service.

Junior Girl Scout Troops 322 and 336 distributed anti-litter handbills which they had designed. Troop 322 also presented a display of damaged road signs. The signs were obtained from the Highway Department.

Cub Scout Pack 546 collected and bundled over 700 pounds of newspapers and magazines which will be taken to Lynchburg for recycling.

Boy Scout Troop 546 conducted a litter hunt. In just over an hour's time, the boys collected 10 pick-up sacks of litter.

The top three litter hunters were awarded refreshing prizes by the local Dairy Queen Drive-In.

During all of this activity, the Scouts enjoyed refreshments donated by the Lynchburg Bottling Co.

Mr. Ned Stanley donated the use of his pick-up truck to the Scouts.

Floyd Flint, Scoutmaster of Troop 546 and coordinator of the SOAR Day program has expressed sincere appreciation to all of the Scout leaders and other adults who worked to make the program a success.

The Scouts ask everyone to help them make every day SOAR Day. Let's make our historic community a place of beauty for us and for our many annual visitors.
